DOEN GOED DINSDAE

DOEN GOED DINSDAE!

Ons by KC107.7 is deel van die gemeenskap en weet dat ons 'n invloed het op ons gemeenskapslede. Ons werk elke week hard daaraan om ons gemeenskappe te help met "Doen Goed Dinsdag". Die doel van hierdie veldtog is die insameling van items en dienste wat benodig word deur die gemeenskap, sy persone of ander liefdadigheidsorganisasies. Die impak van die donasies wat sover gemaak is en die betrokkenheid van die mense in die gemeenskap het al klaar soveel mense geraak en maak dit regtig mense se dae beter! - Liani

Hierdie week het Liani en Jason "n baie gelukkige familie in ons KC gemeenskap verras met 'n slaap kamer stel. Vir enige ander donasies of hulp wat verleen kan word vir die wonderlike werk wat mense doen: kontak ons en ons kyk waar ons kan help!

HAT-TRICK HERO

Cornal Hendricks

Cornal Hendricks from Wellington ran the show in Wales for the Bulls in their last regular season game before the play-offs. The former Boland Cavalier put in a man of the match performance by scoring a hat-trick of tries and also set up Paarl's Canan Moodie for his try. The victory made sure that the Bulls have a home quarter final at Loftus. Final score Ospreys 31 - 38 Bulls.

For many this performance proves that Hendricks deserves a chance to represent the Springboks one last time. He is certainly one of the leading centers in the country. Question remains, will Jacque Nienaber give him the chance?

DR. VENICIA MCGHIE

VISITS KC @WORK

From a Domestic Worker to achieving her PhD in Education from Stellenbosch University and now a Professor at UWC Dr. Venicia McGhie is one extraordinary women.

She joined Sakhe on KC at Work to speak about Project Making a Difference, a fundraising initiative she started way back in April 2012. The Project is registered with the Department of Social Services in Pretoria as a non-profit organization, and has a project team of eight EMS staff members

The Project aims to lower student stress and anxiety related to concerns about financial issues - whether by assisting with the cost of a monthly bus or train ticket, buying course readers and second-hand textbooks. Students are empowered to focus on their academic work - and increase their chances of completing their degrees successfully.

For more information about the project you can visit the Project's website at <http://projectmakingadifference.weebly.com/> or contact Dr McGhie and the project team at (021) 959-3485 / 3041 or vfmcghie@uwc.ac.za.

DRAKENSTEIN MUNICIPALITY SPEAKS OUT ON POSSIBLE NAME CHANGE.

The Drakenstein Municipality gave a strong statement in Afrikaans to Minister Nathi Mthetwa.

“Vandag wil ek vir die agbare Nathi Mthetwa, Minister van Sport, Kuns en Kultuur, sê: ‘Hou jou hande van die Afrikaanse Taalmonument af!’ Die Monument is ‘n ikoniese erkenning van al die tale wat bygedra het tot die ontstaan van Afrikaans as ‘n taal,” het raadsheer Conrad Poole, Uitvoerende Burgemeester, gesê. “Dit is ‘n onafskeidbare deel van Paarl en Drakenstein se erfenis en kultuur.

“Die raad en die bestuur van die Afrikaanse Taalmonument stel dit duidelik dat hulle gefokus bly daarop om sosiale kohesie, veeltaligheid, Afrikaans, en ander inheemse tale te bevorder – sowel as die rol wat hulle speel in die wyer dekolonisasieproses. “Om nou ‘n organisasie met sulke edele doelstellings te wil straf, is ongevraag en belaglik. Die Monument is sinoniem met die Paarl en is ‘n belangrike toeriste-attraksie, voeg raadsheer Poole by

“Om die naam nou te wil verander is ongehoord en maak glad nie sin nie.

“Ek wil net weer bevestig dat ons al die land se amptelike tale respekteer in Drakenstein Munisipaliteit en nie een word uitgesonder vir spesiale behandeling nie. As Uitvoerende Burgemeester glo ek ek praat namens al die mense van ons gebied wanneer ek sê die Minister moet sy planne onmiddellik stopsit.

“Die staatspresident, Cyril Ramaphosa, het die week gesonde verstand gewys toe hy aangekondig het dat Min. Mthetwa sy planne vir ‘n massiewe ‘nasionale vlagmonument’ wat die belastingbetaler R22 miljoen sou kos, moet kanselleer.

“Ek wil Min. Mthetwa aanmoedig om dieselfde te doen met sy planne vir die Afrikaanse Taalmonument. As hy dit nie gaan doen nie, gaan ons beslis alles in ons vermoë doen om sy aksie teen te staan, want ons kan nie toelaat dat hierdie onnodige inmengerye voortgaan nie.”
