THE YOUTH CONTINUE TO RAISE #KC DRIVE

This month was all about promoting sustainable livelihood and resilience of young people for a better tomorrow. We've been blessed with the Voice and resilience of the young ones this June on KC, including an impressive takeover on Youth Day.

Another youngster that is transforming her natural talent, hobby and love for music into a product that's turning heads, is 15-year-old 'Singhita'!

The young talent spoke to Brad and SeanJ this week on KC Drive about the start of her music journey with the release of her debut single 'That Kinda Girl', where she is 'Rugby tackling' themes of insecurity faced by most teenagers.

'That Kinda Girl' addresses the struggles girls have to fit in and to be accepted, but more importantly to accept themselves and to believe in who they are.

Singhita's new single is available on all streaming platforms.

#Love My Valley

Winter is coming.... and as we brace ourselves with our comfy blankets, duvets and warm slippers, think about those less fortunate who will still have to endure the Winelands Chill

At KC 107.7 WE CARE and we want YOU to help join us bring warmth to our people

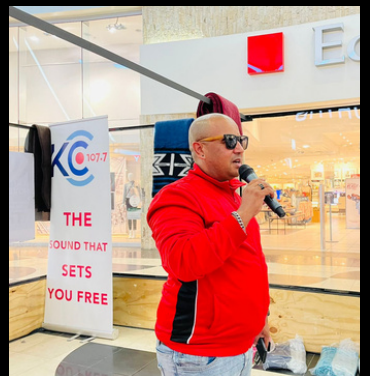

KC has joined the movement of kindness with Valcare. It's the Love My Valley Blanket Drivefor the whole month of June

The Love my Valley Blanket Drive was a major success. People came from all over to donate their blankies and spend time with the KC team. One of the listeners that goes by the name of Toekkies surprised the KC team with a shopping cart full of Blankets.

33 000 Youth Program

June 2022

WE MATTER 33 000 YOUTH PROGRAMME, WERE BACK ON KC@WORK

Cheslin Twigg & Nolethu Ndude from WeMatter 33 000 Youth programme, were back on KC@WORK with a new theme. The theme, Peer Pressure is said to and I quote "affect adults as much as it affects the youth" was broken down to various categories, like Gangsterism & teenage suicide.

The two emphasized that at home, parents should create a safe space for their children so that these youth social ills can be prevented. The community has a vital role that needs to be administered and that is taking care of every child like their own. "It takes a village to raise a child"

Addressing the youth, the subject, Nolethu & Cheslin asked & encouraged them to communicate. To speak out so that they are heard & understood. "Sakhe, if they don't feel comfortable with their care givers, then they should speak to someone they are comfortable with & trust, just as long they talk"

The team gave contact details for a call to action.

KC TEAM HANGS OUT WITH EMO ADAMS

The KC team enjoyed a lekka evening with Emo Adams at the St. Albans Primary School fundraiser.

Emo had the crowd on their feet dancing and crying with laughter. The man from the Cape certainly knows how to entertain a crowd.

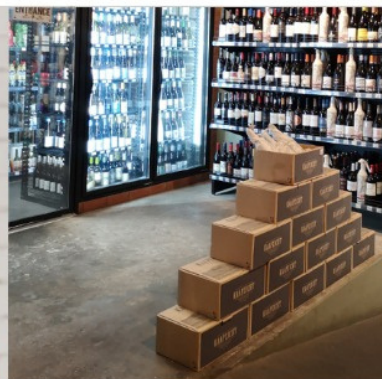

The fundraiser was a first for St. Albans and was a major success, KC 107.7 is certainly looking forward to the next one.

You can contact KC 107.7 fm if you want us to be part of you're events.
