# THE KC STREET SLEEP OUT COME SLEEP OUT WITH US!!

As the world prepares to celebrate Mandela Day on 18th July by doing something positive to make a difference, the KC107.7 team is gearing up to celebrate and make a meaningful impact to the many homeless people in Paarl.

As an extension of their already successful Love My Valley Blanket Drive, the KC107.7 team invite you all to the KC107.7 Street Sleep Out on Monday 11 July on Main Rd, Paarl. The team will be broadcasting live from 4pm right throughout the night ending with the breakfast show on Tuesday 12 July. The staff will be spending the night on the streets sleeping on cardboard to get a first-hand experience of what hundreds of homeless people endure during our cold winter nights.

Paarl residents are invited to come join us for a chat, coffee or spending the night with us. You can also bring blankets to donate as part of the Love My Valley Blanket Drive.

General Manager Gavin Meiring says, "One never knows how difficult it is to sleep in the street until you have done it. We at KC hope to illustrate this experience so that the people of the Winelands will understand why we continue to collect blankets and try make life better for those less fortunate than us.

" On 18 July-Mandela Day KC107.7 will host a Poekie Fees to share a hearty meal with the homeless persons at the station in Breda Street. Locals are encouraged to donate any food items by bringing them to the KC107.7 Sleep Out on 11 July.

## BRAIN & BALL

This week, the KC Drive show celebrated stories of success with leading Lady on the pitch, Kerrin Klaaste.

Kerrin recently became the first female umpire to win the South Western Districts Cricket Umpires' Association (SWDCUA) Umpire of the Season award! She won the award after officiating in several Cricket South Africa tournaments, including the Khaya Majola Under-19 tournament and T20 Community Cup.

Kerrin shared her excitement and appreciation for recognition on the field with Brad and SeanJ this week, and encouraged her fellow ladies to keep pushing as women in cricket have gained momentum.

There's no stopping Kerrin in this dominant field as she continues to elevate her impact in the world of sport.
