A STAR IS BORN #KCLUNCH

Duwayne Scheffers started the Bright Star Drama School in Wellington.

The main goal was to keep the youngsters from the street he started with 8 children and it grew to 15 children.

All the learners are under the age of 18 years.

He saw that they had a lot of talent and decided to hold concerts to boost the morale of the kids. He also got the parents of the kids involved by raising funds.

This coming Saturday 5 November 2022 they are hosting a talent show where the kids will showcase their different talents.

The show takes place at the Wellington School of Skills.

NOTHING'S TOO BIG OR TOO FAR!

On KC Drive we love engaging with amazing stories of the people, and this week was no different.

Brittany McCormick from Paarl joined the team on the line this week.

Brittany was diagnosed with cerebral palsy quadriplegia of high muscle tone, a condition that causes tight muscles and stiff or rigid movements.

An emotional Brittany shared her incredible journey, where she recently walked 100km to raise funds for the Paarl School for kids with disabilities in Brackenfell, Cape Town.

The school wishes to buy their own wheelchairs and other necessities for their pupils, and with Brittany's sacrifice and help, they are so much closer.

Brittany encouraged all the other Brittany's in the community to never allow a health or disability condition to get them down.

You have the power to change your environment; you just have to start.
